Sure thing. I'm tied-up most of today, but may be able to talk very late this afternoon, or tomorrow. What is your availability for a phone call, and then what date might we all be able to convene next week?

Lem – it seems that discussions between WY and EPA and Encana are in high gear and, according to Jeremiah, we may all be meeting in Denver late next week. Can you and I catch up and review the bidding? I want to make sure we're on the same page and that the meeting, if it occurs, has the outcome that we all want.
